3 Options to Celebrate The Choice is Yours

Option 1. Celebrate with Gift Booklets

Choose between six themed insert letters (“Congratulations,” “Safety,” “Thank You,” “Holiday Greetings,” “A Gift for You,” and “Years of Service”) which can be printed with your company name, logo, and/or message. A Gift Booklet also includes a redemption card (redeemable online or by mail for one gift choice), specially designed folder, and a seal that matches your program theme. A white mailing envelope completes the package.

Option 2. Celebrate with Gift Cards

Whether you provide the art or we create it for you, plastic gift cards are printed in full color and include instructions for **redeeming your gift online**. Custom card carriers are also available and offer a more complete presentation. Card carriers fit into a business envelope and can be customized with a message from your organization.

Option 3. Celebrate Online

GO GREEN by delivering your Gift of Choice through the web. We provide you with a spreadsheet of unique redemption numbers. You email one number to each of your program recipients. Then, the recipients use their redemption number to choose a gift from an online collection of brand name rewards.
