

Photo Print Cards

Promos That Last a Lifetime

Photos allow us to go back in time and revisit our favorite memories. Connect with your customers on the most personal level by making Photo Print Cards part of your next promotion. Allow your customers to bring their memories to life. After uploading their digital files, high-quality, full color 4" x 6" Photo Prints are delivered through the mail, arriving at their door in 5 to 7 days – with no shipping charges!

With digital photography part of our everyday lives, Photo Print Cards are perfect for loyalty programs, recruiting incentives and on-pack promotions. Associate your product or brand with one of your customers' most valuable possessions: their memories.

Provide customers the ability to preserve lifetime memories with a gift of Photo Print Cards.

Why Choose Photo Print Cards For Your Next Promotion?

- Connect with your customers on a personal level and give them the ability to make their digital moments come to life.
- Fully interactive, this reward provides multiple touch points and is tailored to your recipients, allowing them to select their own images.
- An incentive with a broad appeal and real value, everyone from new mothers to grandparents will love complimentary prints of their digital photos.
- With digital photography a part of everyday life, associate your brand with a desirable product that is relevant, modern and has real value for your customers.

How It Works

Users visit the website listed on the back of your branded card.

They enter their Reward Code and upload their digital photos.

Beautiful, color 4"x6" prints are delivered to the user in just 5-7 business days.
